Final INSET Day to be confirmed

Bertie - Be There Bear

Kingfishers 99.7% attendance 18th – 22nd June
Peacocks 99.3% attendance 25th – 29th June

Leadership and Management

General Data Protection Regulations

The new General Data Protection Regulations was implemented on the 25th May 2018. In order for the school to comply with these regulations, all GDPR Permissions Documentation needs to be signed and returned to the school office, if you haven't already done so, to ensure that everyone's privacy is protected. It is also important to remember that no video, film or photos taken of the children on the school premises may be posted to any form of social media.

Father's Day Lunches!

On the 11th, 12th, 14th and 15th June we held Father's day lunches which was a wonderful opportunity to celebrate Father's day and it was lovely to see children eating lunch with their family member, they were very excited! Thank you to all the fathers who came to have lunch with us, over 30 families were represented on the day!

Best Outcomes for every child

Swimming Gala

Last Friday evening a talented group of swimmers attended the Sutton Primary Schools Swimming Gala held at Westcroft Leisure Centre with Mr Bowen and Mrs Walters. All our swimmers competed in individual races and also in relay teams. Overall we came 6th which was very impressive up against some large schools and some very talented swimmers. There were also individual medals awarded to some of the children, so a big well done to those children! Thanks to all the parents who came along to support the event too!

District Sports

Yet another hot and sweltering day with teams taking part from Y3 through to Y6, attending the Borough District Sports. Thanks to FON for lending us their gazebo, it was definitely needed! A number of individuals made it through to sprint finals and our teams also did well in the relays (with some impressive baton changes, all those lunchtime practices really paid off!). The children's behaviour was fantastic and they all represented Nonsuch brilliantly, displaying a number of school values for all to see. Well done to all who attended and thank you to all the parents who came to transport and support. Mrs Walters

Netball A Division League Finals

Last week our squad of 9 netballers; Fareeha, Chloe, Phoebe, Lilly, Nadia, Ellie, Tula, Emma & Emily, travelled across Sutton on a sweltering day to St Elpheges School who were hosting the Finals of the netball leagues (slightly later in the year than anticipated). We were in the final for the A Division and up against a very strong team from Bandon Hill. A few nerves showed at the beginning and we were 2-1 down at half time. Mrs Walters & Miss Evans gave an encouraging half time talk and made a few positional changes. Immediately we were back level at 2-2, then we broke their centre pass and went 2-3 up. The clock seemed to stop and Bandon Hill fought back, but we held on and scored again to go 2-4 up and WON the match. This team showed teamwork at its best with every player including the subs working as a tight unit. What a great performance from the squad and overall this season to win the A Division, as a one form entry school is a fantastic achievement well done all. Mrs Walters

High Quality Teaching

Reception Class Assembly

Many thanks to all the parents that came to the Reception Class assembly! It was a great success. The children did amazing, their singing was great and they spoke really clearly. The class were very pleased with themselves and rightly so! Hopefully everyone learnt about the hard work the children have been putting in to learning.

ALSO - If anyone has a water tray in their back garden that they think their children have out grown then please can you donate it to the EYFS!

Year 1 Trip to Wisley

On Monday 25th June, Year 1 went to Wisley Garden's. We all had a lovely day and the children even planted their own courgette seed to take home! The children got to smell different types of herbs in a section within the garden, including lemon curd, chocolate mint and coffee! The children also got to taste an apple that had grown within the gardens, it was deliciously crunchy.

After lunch, the children went into the glass house to see banana trees growing with enormous leaves and papaya trees. The children then went to the play area where they had fun on the monkey bars. The trip was a great opportunity for the children to see and learn on what has been discussed in class and a great time was had by all in the lovely sunshine!

Year 2 Class Assembly

We thoroughly enjoyed preparing and sharing our class assembly on the seaside for the school and for our parents on Friday 22nd June! We hope we made you feel excited for the summer holidays and your visits to the seaside! Thank you to everyone who came to watch us.

High Standards of Behaviour and Safety

NO NUTS!

A reminder that we are a nut free school! In order to best ensure the safety of pupils with nut allergies, we remind you that no products containing nuts should be brought to school.

Head bump wrist bands

Keep an eye out for our new head bump wrist bands that we will be giving the children if they have a head bump throughout the school day. The red head bump notes and stickers will still be used if needed, however the wrist bands will be used for the general bumps.

Friends of Nonsuch

The Friends of Nonsuch just wanted to pass on a big thank you to everyone who donated to the Bag2school charity collection on Wednesday and thank you to everyone who helped on the morning. It was heavy work carrying the bags across the playground but the children were very useful and enjoyed lending a helping hand. By donating your clothes you have helped raise £152 for our school.

Summer Fair

We're very excited about the Summer Sizzler, next week, on July 7th and have been busy organising what we hope will be an enjoyable day for the whole family.

As well as bouncy castles, face painting, games and the infamous Nonsuch Welly Wangling competition we are very proud to announce we will have a special musical performance from 'The Banned' some talented people some of you may recognise!

Please note the Summer Sizzler will be at the adjusted time of 11:00-14:00, we will have a delicious BBQ and drinks bar, please respect this event is not 'bring your own' but by all means bring your blankets and chairs and enjoy the day. To reduce our disposable plastic usage, if you have a reusable wine glass or tumbler please bring those along to use alongside your purchased drinks.

Jam Jar Tombola

We would love everyone to bring in a decorated clean jar filled with either small "pocket money" toys or sweets.

Please bring the jars into school next week where we will collect them ready for the Jam Jar Tombola.

Raffle Tickets

Raffle tickets have been sent home in book bags, to return them please fill in your details and send back via the FoN post box in the playground. We have some fabulous summer hampers to be won, the draw will be held at the summer sizzler.

Thank you all for your continued support and we really look forward to seeing you for a fun family day next week.
